If these prospects have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the brand new guide, but do not include a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with different prices on every page. Be certain that your gross sales copy is precisely the identical on

every page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum price is.
