An effective technique for figuring out a worth is to ship out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion by way of price. Do that by creating a sales web page for the brand new e-book, however do not embrace a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with different prices on every page. Be certain your sales copy is exactly the identical on each page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum value is.

In the end, if you happen to've written a ebook that solves a drawback or presents a new technique, your e book will usher in both visitors and profits.
