Do that by making a sales web page for the brand new ebook, however don't include a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with completely different prices on every page. Be certain your sales copy is exactly the same on every

web page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. This can let you know what your optimum worth is.
