page. As an alternative, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Be certain your gross sales copy is strictly the similar on every page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum price is.

In the end, in case you've written a e book that solves a problem or presents a new method, your ebook will herald both visitors and profits.
