An efficient method for determining a price is to ship out a survey to your present customers. If these prospects have already purchased an e book from you, ask for their opinion by way of price. Do that by making a sales page for the new e-book, but don't embody a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with completely different costs on every page. Make sure your sales copy is exactly the same on each

page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum worth is.

Finally, for those who've written a book that solves a drawback or presents a brand new approach, your e-book will usher in each traffic and profits.
