## Advertising and marketing Strategies

The key that unlocks the sales potential of your book is to discover a single sentence that becomes your selling handle. This sentence states what query or drawback your ebook answers and the advantages your e book can provide. Then make sure to use that sentence in each piece of gross sales

and promotional material, and every time anyone asks you about your ebook.

An efficient technique for figuring out a value is to send out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the new book, but don't embody a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with different costs on every page. Make sure that your gross sales copy is strictly the same on each page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum price is.
