As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with totally different prices on each page. Ensure that your sales copy is exactly the identical on each page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum price is.
