If you want to see giant profits over buyer draw, goal for an audience that is searching for straightforward solutions to their problems at a low price. If your ebook is geared toward solving one specific drawback fairly than basic recommendation, then you may cost more. Begin at the highest worth the market will bear to usher in the largest income, and plan to discount the book a number of occasions throughout the year.

One other technique is to test out prices by creating a variety of duplicate sales pages with different prices on each page. Be sure your gross sales copy is exactly the identical on each page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This can let you know what your optimum value is.
