Advertising Strategies

The important thing that unlocks the gross sales potential of your ebook is to discover a single sentence that turns into your selling handle. This sentence states what query or drawback your book answers and the benefits your book can provide. Then be sure to use that sentence in every piece of

gross sales and promotional materials, and every time anyone asks you about your ebook.

Do that by making a sales web page for the brand new e book, but do not embody a price on that page. One other strategy is to check out costs by creating a variety of duplicate gross sales pages with different costs on each page. Be certain your sales copy is precisely the similar on each web page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum worth is.
