One is to give something away without cost along with your ebook, akin to a helpful bonus item. Or bundle several ebooks under one worth, which lowers the worth for every e book in the event that they had been bought separately.

An effective approach for figuring out a worth is to send out a survey to your current customers. If these customers have already purchased an e-book from you, ask for his or her opinion by way of price. Do this by creating a sales page for the new e-book, but do not embody a value on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate gross sales pages with totally different prices on every page. Make sure your sales copy is exactly the identical on every

page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum worth is.

Finally, should you've written a ebook that solves a problem or presents a new technique, your guide will herald each visitors and profits. So be sure you write that promoting-deal with sentence that sums up what drawback your book solves and what the advantages of your 2580 book will likely be to the shoppers who purchase it.
