An efficient approach for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the new guide, but don't embody a value on that page.

Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with different costs on every page. Make certain your gross sales copy is precisely the identical on each page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum worth is.

In the end, in case you've written a guide that solves a problem or presents a new technique, your ebook will usher in each visitors and profits.
