An efficient method for figuring out a value is to ship out a survey to your present customers. If these prospects have already bought an e book from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the brand new e book, but don't embody a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with totally different costs on every page. Ensure your sales copy is strictly the same on each web page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. This can inform you what your optimum worth is.

Ultimately, if you happen to've written a e book that solves a drawback or presents a brand new technique, your ebook will herald both site visitors and profits.
