Do that by creating a gross sales page for the brand new e-book, however don't include a price on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with totally different prices on every page. Make certain your sales copy is exactly the identical on each page,

and includes your selling-handle sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum worth is.

In the end, if you happen to've written a guide that solves a drawback or presents a new approach, your book will bring in each traffic and profits.
