As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with different costs on every page. Be sure your sales copy is precisely the identical on each page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum price is.
