Do that by making a gross sales web page for the brand new ebook, however don't include a value on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with completely different costs on each page. Ensure your gross sales copy is precisely the same on each

web page, and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. This may let you know what your optimum price is.
