After you determine your goal, you have to figure out what your audience's need is on your ebook. For example, does your book resolve a specific problem? If you wish to see large income over customer draw, intention for an viewers that's looking for simple options to their problems at a low price. If your book is aimed toward solving one particular drawback rather than basic recommendation, then you'll be able to cost more. Begin at the highest price the market will bear to herald the largest earnings, and plan to low cost the e-book a variety of times all through the year.

Advertising Strategies

The important thing that unlocks the gross sales potential of your e book is to discover a single sentence that becomes your selling handle. Another strategy is to check out prices by making a variety of duplicate sales pages with different prices on each page. Be sure your gross sales copy is precisely the same on each page, and contains

your selling-handle sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum price is.
